

**SUBJECT HEADINGS
VOL 19**

Accidents occupational	263
Acid etching, dental	283
Acquired immunodeficiency Syndrome	77
Acrylic resins.....	84
Adenoma, Pleomorphic.....	336
Adhesins bacterial	325
Adhesive restorations	68
Anodontia.....	47
Bone density.....	28
Bone tengthening.....	188
Bone regeneration.....	28
Bruxism	201
Candida albicans.....	283
Chemical analysis.....	276
Children	181
Chromium alloys	21
Comparative study	137
Composite resins.....	68
Composite resins.....	250, 325
Dental alloys.....	160
Dental articulators.....	53
Dental care	39
Dental caries.....	222, 246, 341
Dental cements.....	137
Dental health services.....	246
Dental implantation	312
Dental implants	61
Dental impression materials	108
Dental impression technique.....	53
Dental instruments	300
Dental leakage.....	137, 173, 250
Dental materials.....	102, 173, 347
Dental occlusion.....	6
Dental pins	13
Dental plaque.....	325
Dental prosthesis.....	257
Dental pulp cavity	250
Dental soldering	21
Dental staff	165
Dentifrices.....	229
Dentin.....	283
Dentin sensitivity.....	68
Dentin-bonding agents.....	68
Dentistry, operative.....	300
Dentition, primary	6
Denture, complete	53, 84
Drainage	341
Edetic acid.....	276
Education, dental	165, 217

Elasticity	108
Eltrical theory	320
Endodontics.....	33, 115, 173
Enzymes	288
Epidemiology.....	246
Esthetics, dental.....	115
Ethical theory	320
Evaluation	173
Expert testimony.....	320
Exposure biological agents	263
Eye protective devices.....	122
Fluoridation.....	131, 293
Fluorine.....	131, 229, 293
Fluorosis, dental	229
Focal infection, dental	341
Forensic dentistry.....	320
Gingiva.....	257
Glass-ionomer cement	102
Health education	147, 217
Health of institutionalized elderly.....	325
Health personnel.....	217
Health services for the aged.....	331
Health surveillance.....	293
Heat.....	160
Hidrogen-ion concentration.....	276
Hydrogen peroxide	153
Hyoide bone.....	188
Infection	341
Infection control dental	341
Lasers	122, 153, 312, 283
Lowe's syndrome.....	222
Maxilla.....	61
Microleakage	102
Microwaves.....	84
Molar.....	6
Mouth.....	181, 283
Mouth rehabilitation.....	61
Nickel-Titanium	300
Occlusal splints.....	201
Occupational.....	263
Occupational risks.....	263
Odontogenic tumors	181
Oral health.....	39, 147
Oral manifestations.....	77
Orthodontics	47
Pain.....	33
Pediatric dentistry.....	77
Periodontal diseases	312
Periodontics	312

Periodontitis.....	288
Periodontium.....	201
Post and core technique.....	13, 160
Pregnancy.....	39, 147
Prostheses and implants.....	61
Protective devices.....	122
Pulpotomy.....	137
Radiation, ionizing.....	28
Radiation Protection.....	122
Radiography.....	28
Root canal filling materials.....	347
Root canal therapy, instrumentation.....	33
Root resorption.....	209
Salivary gland neoplasms.....	336
Salivary glands.....	336
Silicone elastomers.....	108, 257
Sleep disorders.....	269
Social class.....	269
Stress.....	28
Students, dental.....	263
Technical Standards.....	122
Temporal bone.....	188
Temporomandibular joint.....	269
Third Molar.....	47
Tooth avulsion.....	209
Tooth Bleaching.....	115, 153
Tooth injuries.....	209
Tooth movement.....	209
Torque.....	300
Treatment.....	209
Ultrasonics.....	160
Water supply.....	131
